Where brilliant minds converge to transform the future of pharmaceutical sciences

VISION

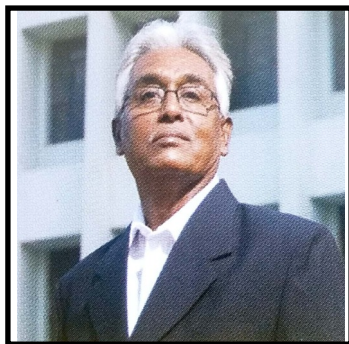

St.Peter's is committed to generate, disseminate and preserve knowledge and work with pioneers of this knowledge, and to be the most sought after institute globally in the field of pharmaceutical sciences by creating world class pharmacy professionals and researchers.

MISSION

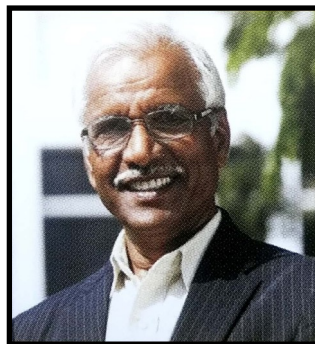

To achieve academic excellence with integrity and creating opportunities for leadership and responsibilities through groundbreaking performance in the field of Pharmaceutical Sciences by educating students with pharmaceutical needs of the society and to advance the knowledge through research and to serve the profession and community.

Employability Skill Development Program In Clinical Trial Industry from Cytel Statistical software Pvt Ltd & CLiPLab

St. Peter's Institute of Pharmaceutical sciences has organized a one day seminar on 25th October 2018 by Cytel which was founded in 1987 by Cyrus Mehta and Nitin Patel, both from the American Statistical Association, and who are with the company. The company is led by senior people with extensive experience in clinical development and expertise in Biostatistics, Operations Research, SAS Programming, Medical Writing, Clinical Data Management and Statistical Software Product development by D. Nageshwar rao, Sr. Manager Professional Training Cytel. Nakshatra Vinod, Asst. Manager Professional Training Cytel. The agenda of seminar was to introduce students to Cytel and CLiP Lab and to give overview on clinical trial Industry and Career opportunities, Briefing about career programmes. Students of B. Pharm, M. Pharm and Pharm. D participated and interacted with the speakers.

World's Pharmacist day

St. Peter's Institute of Pharmaceutical Sciences celebrated World's Pharmacist Day by demonstrating the awareness on usage of drugs on consultation and advice of pharmacist. Flash mob was also done in the main streets of Warangal town organized by K. Manasa Asst. Professor, St. Peter's Institute of Pharmaceutical Sciences.

The programme was inaugurated by Dr. J. Sudhakar Reddy, Chief Superintendent of Rohini hospitals along with Dr. Bose. The initiative was taken by our chairman Mr. T. Jayapal Reddy and our beloved Principal Mr. P. Rajashekar along with all the faculty.

IACP- 2nd LEADERSHIP DEVELOPMENT CONCLAVE

Indian Association of Colleges of Pharmacy in Association with Pharmacy Council of India has organized its Flagship workshop on 2nd Leadership Development Conclave for 100 Pharmacy Colleges Heads/Principals/Deans of India at Le Meridian Hotel, Goa, India from 14-17 September 2018.

Dr. B. Suresh, President, Pharmacy Council of India gave a Key Note on the occasion along with Mr. Mike Rouse, ACPE, USA, Dr. Arijana, Mr. Pradeep Desai, Mr. Shah , Mr. Pradeep were key trainers.

It was well appreciated by all delegates from PCI & IACP and they gave special Appreciations to team of St. Peter's Institute of Pharmaceutical Sciences for their Brilliant arrangements and support. Cheers to our Team.

And it was all fun and learning. Mr. Jayapal Reddy, Dr. Jayakar, Dr. T. K Ravi and Prof. Chinnaswami, President, IACP organized entire event. Sessions were mostly focused on future trends of learning, change Management, Leadership etc.

ORIENTATION DAY

St. Peters Institute of Pharmaceutical Sciences organized orientation day to Welcome new students into St .Peter's family on 6-09-18 an orientation day for 24th batch of B. Pharm and 4th batch of Pharm. D was held with Great Spirit. It's a day which guides and enlighten the students about their future. The day which shows a great emphasis on how to reach the goals. A day which motivates the student to do hard work.

Our Chairman Mr. T. Jayapal Reddy, Dr. P. Rajasekhar Principal St. Peters Institute of Pharmaceutical has addressed students, their parents and motivated them.

SEMINARS - ORAL PRESENTATIONS

Students of St. Peter's Institute of Pharmaceutical Sciences presented on emerging topics from literature.

It was great initiative taken by our chairman Mr. T. Jayapal Reddy to conduct oral presentations on every Wednesday of the week. This event was conducted and organized by Raju Bairi, Asst. Professor, Dept. of Pharmacology.

Students from Pharm. D, B. Pharm and M. Pharm has presented oral presentations with unique topics which created enthusiasm among the audience.

Students with following topics

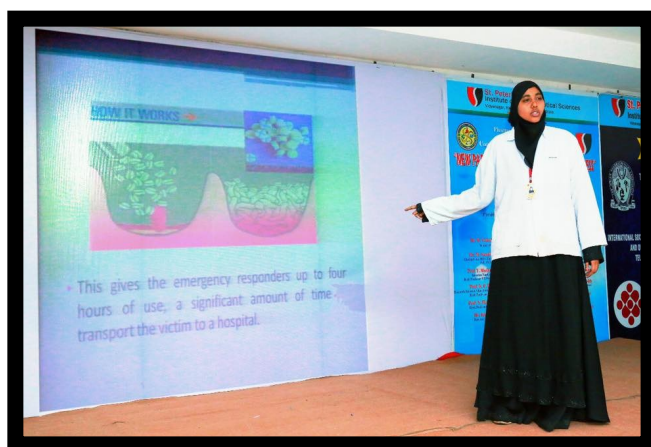

Name of the student	Year	Topic
G. Meghna Reddy	B. pharm 4th year	Electronic Aspirin
Asha kumara	B. pharm 4th year	organ in a chip
Sana Naaz Fatima	M. Pharm	Xstat
K. Swerika	Pharm.D 4th year	Bio Artificial Kidney
Himavarsha P	M. Pharm	Brain Machine Interface
N. Mayuri	B. Pharm 3rd year	Nutrigenomics.
B. Varsha	M. Pharm	3D printing, uses on pharmaceutical dosage forms, organ/tissue development.
M. Kavya sree	M. Pharm	Process Analytical Technology.
T. Rajesh	Pharm 3rd year	Skin Cell Gun Technology.
M. Supraja deep		Derma clips.
G. Niharika		Stem cells in Dentistry
MD. Habeeb Ali	Pharm D 4th year	Gene therapy for Inherited Retin Diseases
Thumma Sahaja Reddy	Pharm. D 4th year	Artificial Pancreas
Kavitha Upadhyay	B. Pharm 3rd year	Gold Nano Particles
T. Gouthami	M. Pharm	Robotic Surgery
M. Hemalatha	M. Pharm	Astrazeneca (Pharma company)

PHARMALYTICA

Students of M. Pharm have attended one of the most popular Analytical Exhibition PharmaLytica on 10th to 11th August 2018 at Novotel, Hitex, Hyderabad

PharmaLytica conference collocated with the exhibition is the knowledge forum and important industry gathering that brings the entire range of topics in analytical, outsourcing, laboratory, scientific & biotechnology sector. PharmaLytica is evolving as the leading market place for products and services along the entire value chain in niche segments within the Pharma industry.

Students had a great experience of learning state of art new emerging technological machines for Pharma research and manufacturing. Thanks to PharmaLytica organizing Team and Dr. D. Rajeshri ,HOD, Dept. of Pharmaceuticals, Mrs. M. Kalpana, Asst. Professor, Dr. P. Rajasekhar, Principal, St. Peter's for making this learning happen.

Mr. T. JAYAPAL REDDY WITH SHRI DILIP SHANGAVI

Our Chairman Mr. T. Jayapal Reddy met Legendary Shri. Dilip Shangavi, Managing Director Sun Pharma during Central Executive Council meeting held on 4th August 2018 at Sun Pharma House organized by President IPCA. Members of all federations were present for upcoming 70th IPC held at Delhi.

CONTINUING EDUCATION PROGRAM (CEP)

Pharmacy Council of India, Continuing Education Program (CEP) for Pharmacy Teachers was hosted at St. Peter's Institute of Pharmaceutical Sciences, Warangal in which teachers from 30 Pharmacy Colleges have participated. Mr. Srinivas Pingili, Asst. Professor, St. Peter's was the Program Coordinator. Several Innovative techniques were demonstrated to teachers by experienced Pharmacy professionals. The topics discussed were

1. Dr. T. K Ravi, Principal Sri Rama Krishna Pharmacy College, on PCI's new curriculum and regulations
2. Dr. M Sunitha Reddy, Chairman, Board of Studies-Pharmacy, JNTUH on current trends Nano formulations
3. Dr. KPR Chowdary, Research Director, Vikas Pharmacy College on Teaching Methods and Curriculum Planning.
4. Dr. M. Venkat Reddy, Member PCI on Teaching Self Evaluation
5. Dr. Karthik Rakam, Director, Tychee solutions on Teaching Techniques in Pharmacotherapeutics
6. Dr P. Rajasekar, Principal, St. Peter's Institute of Pharmaceutical Sciences on Amalgamating art with science for learning
7. Hanumanth Rao Rtd. Prof. KU : Teaching skills
8. Dr. Divakar Goli : Good Teaching Practices
9. Prof. Y.M Rao Director Vaagdevi Institutions : Research Methods in Pharmaceutical Sciences.
10. T. Jayapal Reddy, Chairman, St. Peter's on Teaching Psychology
11. Dr. Y. Narshimha Reddy, Chairman, BOS Pharmacy, spoke on Quality Teaching Methods
12. Dr. C. Veeresham, Professor of Pharmacy, on Ethics of a Teacher
13. Dr. T.V Narayanan, President, Indian Pharmaceutical Association gave a Keynote on Teaching Dimensions and distributed CEP certificates for Faculty Participants.

St. Peter's

3-DAY INDUSTRIAL ORIENTATION WORKSHOP

St. Peter's Institute of Pharmaceutical Sciences in association with IPA (Education division and Hanamkonda branch) has organized 3 day workshop from 20-22nd July, 2018 on **“Current Aspects and Orientation on Pharmaceutical Industry”** organized by Prof. R. Sayanna, Hon'ble Vice Chancellor, Kakatiya University has inaugurated the workshop. The main objective of the workshop is to improve the knowledge of students about Manufacturing, Quality Assurance and Quality Control in the field of Pharmacy.

While speaking to the gathering Prof. Sayanna advised to carry out the practicals since its very important to Pharmacy education. He asked the teachers to impart knowledge to the students during lab hours. He explained how the globalization and development is causing pollution resulting in ill health of the public. At this juncture, the role of Pharmacist is very important, Prof. Sayanna said. He appreciated for conducting such workshops and suggested students to come up with ideas and research for developing rural areas and drugs to be available at affordable price with good quality.

Prof. M Sarangapani, Dean, Faculty of Pharmaceutical Sciences, Kakatiya University has elaborated the importance of the work shop in improving the skills. He remembered former Prime Minister Sri P V Narasimha Rao who paved the way in improving the Human Resource Development in the field of education. He also spoke about Nano Technology in Pharmacy, targeted drug delivery system etc.

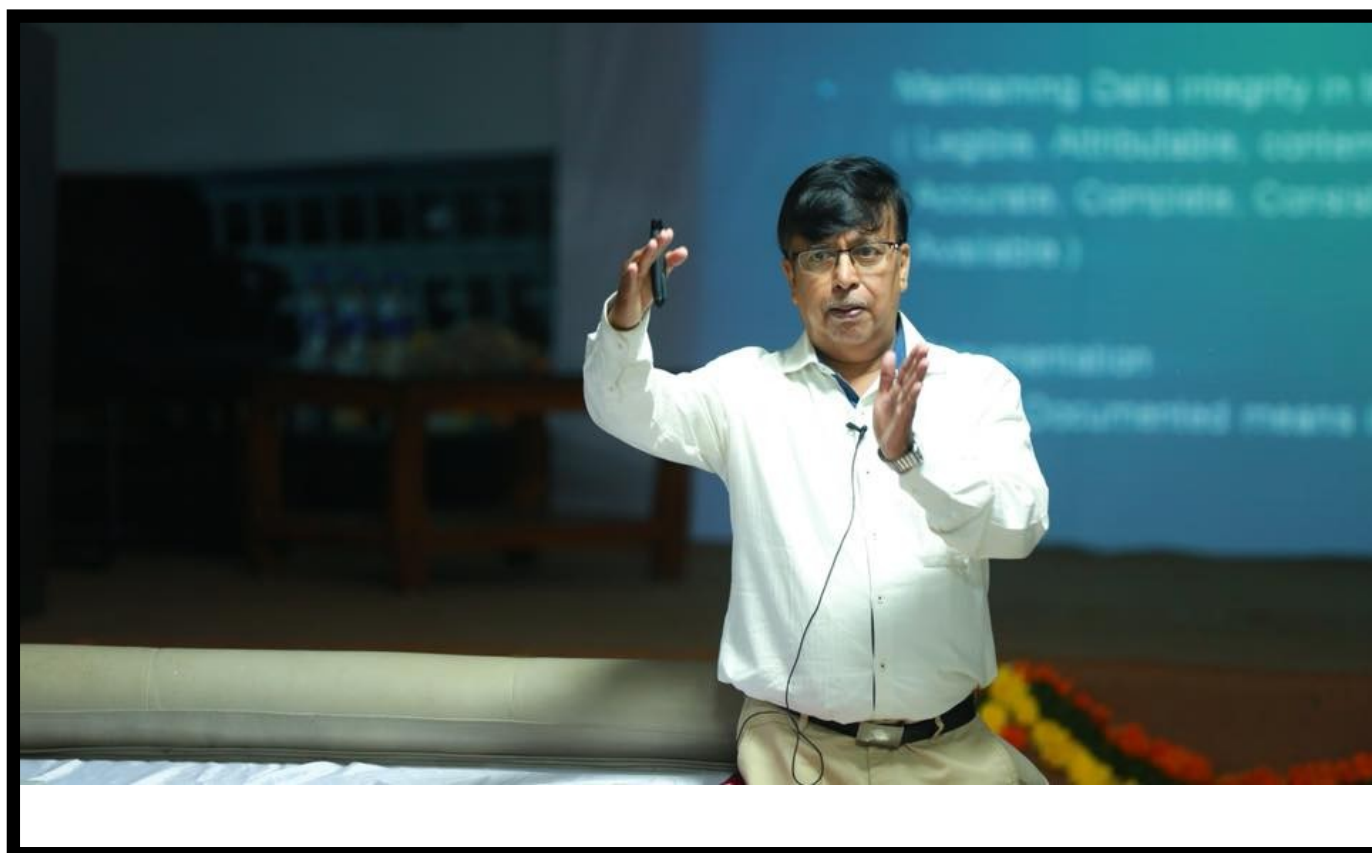

Dr. Ashutosh Dixit, who has over 30 years of industrial experience in QA in leading pharma companies, while starting the workshop he explained about Quality Assurance, Current Good Manufacturing Practices, Deviation and Change Control Management, Market Complaint Handling and Product Development and Drug Design.

Dr. Dixit said the Pharma industry never dies as the growth of Pharma Industry was estimated to be 2.13 to 2.25 billion dollars between 2014-2025. The manpower resource has become very important in the industry. He said, India is in the third place in terms of volume in production, Globally India stands 1.4% of total production Having 14th largest buying value and there are around 3000 Pharma Companies are existed all over India and 10500 manufacturing units are currently in operation. Among these 1300 are recognized by World Health Organization Good Manufacturing Practices (**WHOGMP**). About 950 companies are under Therapeutic Goods Administration (TGA) which is an Australian Drug Regulatory Body.

Also, Dr. Dixit in his workshop explained about ICH (International Conference for Harmonization) guidelines for current good manufacturing practices.

Dr. Rajashekar, Principal and Mr. T. Jayapal Reddy, Chairman, St. Peter's Institute of Pharmaceutical Sciences have taken part of the program and such workshops will be conducted every now and then in order to improve the skills and knowledge of the students. Sri Jayapal Reddy thanked the University authorities for their cooperation in conducting workshops and remembered the value of Pharmacy Education under Kakatiya University.

The college Bulletin was released by The Vice Chancellor and Dean and the guests were felicitated by the Management and Faculty.
