Dear Sir,

Sub: Request for adequate time allocation for semester to ensure comprehensive coverage of syllabus.

This letter is written with a concern that is pivotal to the academic success and professional competence of our students. It has come to our attention that the current time allocation for the semester is insufficient for the thorough and comprehensive coverage of the syllabus in a manner that ensures deep understanding and retention of knowledge.

The constrained semester timelines are posing significant challenges in achieving necessary skills to excel in the field of pharmacy.

Thank you for considering our request and hoping for positive response.

Dear Sir,

Sub: Request to send the Almanac of all the years of B. Pharm and PharmD at the beginning of academic year.

Based on the feedbacks noted by our college and with respect to above stated subject we would like to request to issue the Almanac of all the years in advance so the academic calendar of the college can be prepared ahead of time, preventing conflict and allowing for the preparation of academic calendar.

Hence, we request you to consider the above request as soon as possible so that the students get benefitted.

We look forward to your positive response.
