3.4.1: Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

St. Peter's Institute of Pharmaceutical Sciences promotes regular engagement of faculty, students and staff with neighborhood community for their holistic development and sustained community development through various activities. The college motivates the student's social participation and also drives to achieve its goal of providing higher technical education to create equitable society with ethical values. The Institute is conscious of its role in campus community connection, well-being of its neighborhood and has initiated a number of community development activities.

To track the involvement of students in various social activities, the Institute has established a mentoring system wherein each faculty members act as mentor for 15 students. They keep records of their participation in such activities. Faculty advisor has to file the student participation in such extension activities in the respective file.

The college is continuously organizing a number of extensions and outreach activities which are directly connected with students academic, social, cultural, community services etc., and the college management with the help of many voluntary organizations and NGOs organizes the outreach programs.

Our College provides the major extension and outreach programmes organized under the banner of National Service Scheme of the College. Our NSS student volunteers visit villages and extend their services regularly by organizing blood donation camp, free eye screening camp, free medical check-up camp, general awareness camp, rally for social awareness, cleaning the nearby villages and surrounding rural areas such as Vidya nagar, Bongir through National Service Scheme (NSS) Unit.
