**4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.**

The library at **St. Peter's Institute of Pharmaceutical Sciences** is an essential resource for faculty and students seeking to expand their knowledge. Spanning an area of 150 sq. m. and equipped with seating for 100 users with comfortable chairs and tables and a peaceful environment, the library offers a comfortable and accommodating space for studying and research. Our collection comprises various types of books. It encompasses textbooks, reference books, journals, and their previous volumes. Furthermore, we offer a wide range of books for general reading, competitive examination preparation, and enhancing soft skills. The library operates from 9:00 a.m. to 5:30 p.m. on all working days and is maintained by supportive team members.

The institute library operates under an Open Access System, featuring double-facing racks that house books organized by subject and number. Display boards are strategically placed to assist users in locating materials.

The library provides a comprehensive collection of 14470 volumes of books, encompassing 2418 titles, that fulfill the needs of B.Pharmacy program and M.Pharmacy as well as general books for competitive exams, spiritual magazines, and student's mental abilities. In addition, the library subscribes to numerous e-journals, national and international journals, periodicals, newspapers, project reports from undergraduate students, previous years' question papers, and books related to competitive exams.

**Library facilities:**

The library is fully automated with an online public access catalog (OPAC) that enables users to search for information using a variety of criteria, such as author, subject, title, and keywords.

With this system, users can check the status and availability of books, review their own holdings, and make reservations as needed.

- Separate access for staff.
- Updated list of E-resources.
- Wifi facility.

'New Arrivals' and publications are displayed in showcases at the entrance of the library. In addition to the aforementioned services, the library is equipped with various modules, including an acquisition system, cataloging system, circulation system, and serial control system.

**Library section:**

- Reference Books Section.
- Practical Books section.
- Stacking Section.
- Journals section.

**Library and Information Services:**

- Open Access for all students.
- New arrivals of learning materials.
- Collection of general reading book.

- Collection of competitive exam-related books.
- Circulation of Books.
- Reference Books and Services.
- Internet and e-resources access.

**Digital Library:**

The digital library has an impressive collection of CDs, e-resources like SWAYAM, and ebooks. The digital library is also equipped with internet browsing with ten systems and unlimited access to various academic resources available on the internet. Swayam is a program initiated by the Government of India and designed to archive the three cardinal principles of education policy, which are access, equity, and quality.
