TITLE OF THE EVENT: NATIONAL UNITY DAY

DESCRIPTIONS:

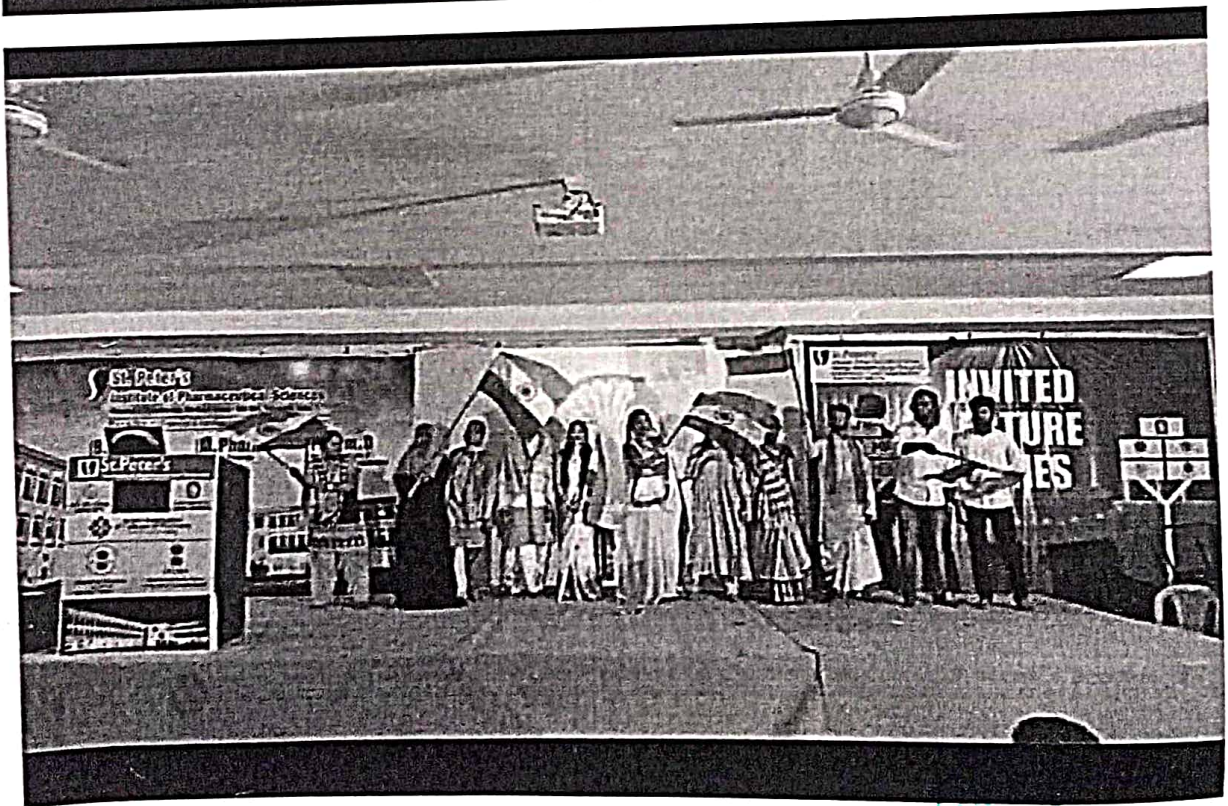

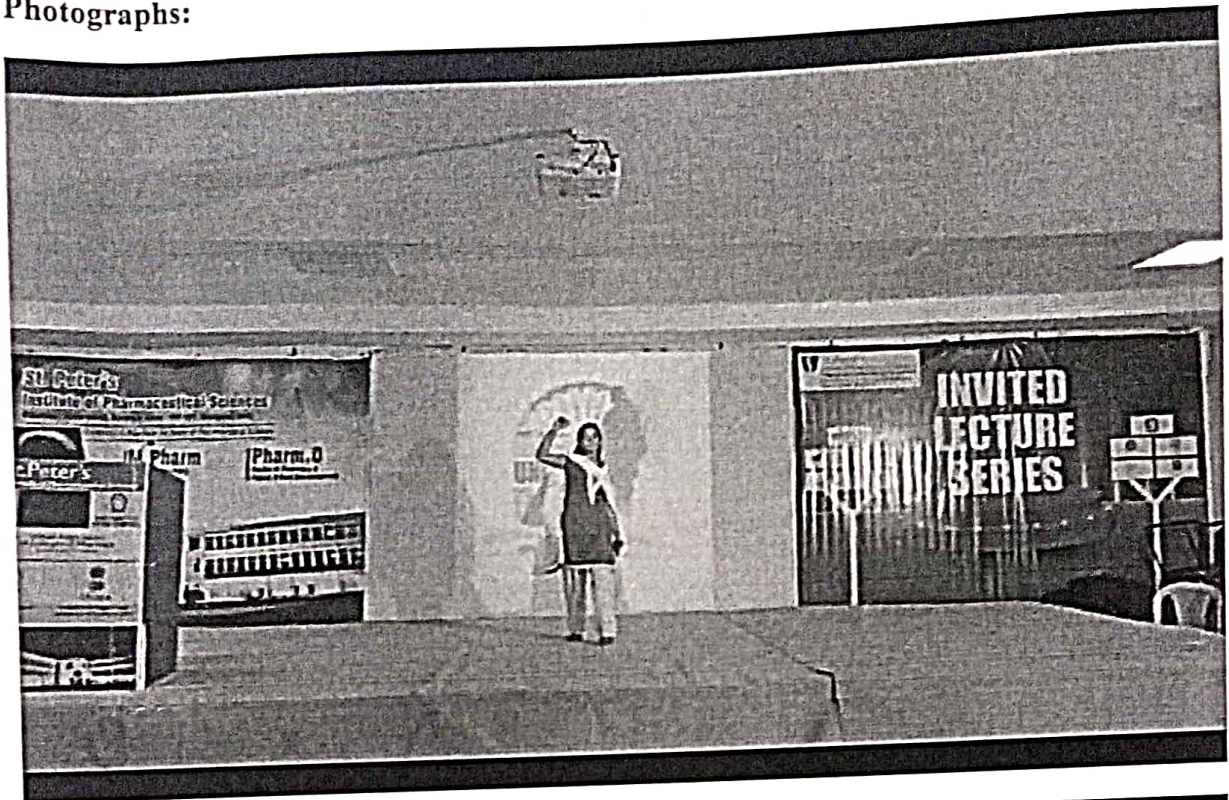

1. Foster a sense of national pride and solidarity among citizens.
2. Promote understanding, tolerance, and respect for diverse cultures, religions, and backgrounds.
3. Strengthen the bonds of unity and harmony among different ethnic groups, communities, and regions.
4. Raise awareness about the importance of national unity in building a strong and resilient nation.

Let us use this day as an opportunity to strengthen the bonds of unity that unite us, and to reflect on the importance of standing together in the face of challenges. Together, we strive to build a brighter future, where every individual is valued and respected, contributing to the collective tapestry of our nation.

TITLE OF THE EVENT: WORLD ENVIRONMENT DAY

DESCRIPTIONS:

The Descriptions of World Environment Day include raising awareness about environmental issues, promoting actions to protect the environment, advocating for policy changes, and encouraging global cooperation to address environmental challenges.

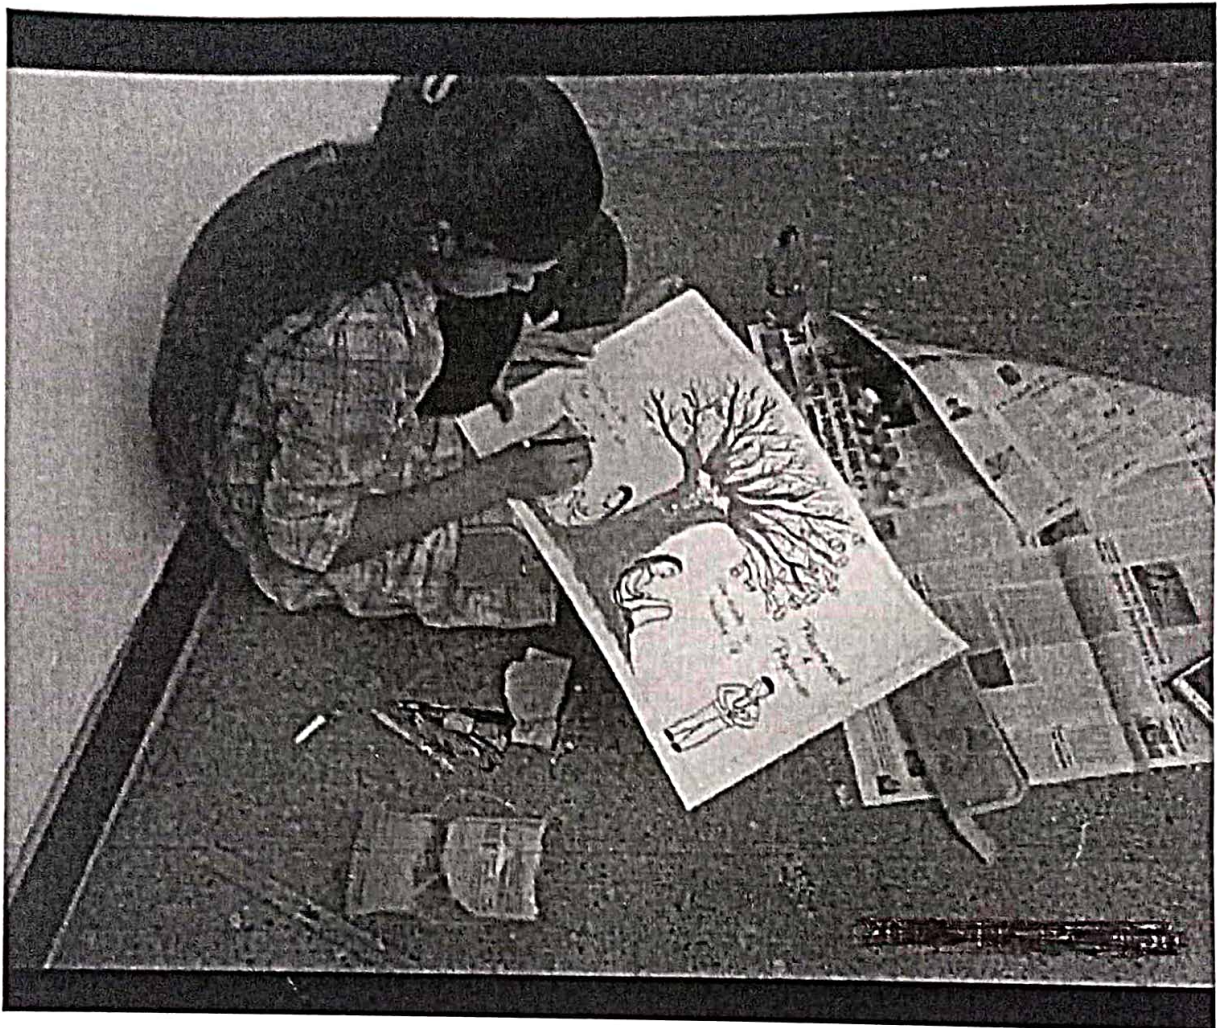

- It serves as a platform for individuals, communities, organizations, and governments to come together and take meaningful actions to safeguard the planet for current and future generations.
- Additionally, World Environment Day aims to inspire people to adopt sustainable lifestyles, reduce their ecological footprint, and advocate for a healthier and more sustainable planet.

At St. Peter's, World Environment Day is a time for students and staff to come together in a spirit of environmental stewardship. The day is marked by various activities and initiatives aimed at raising awareness about environmental issues and promoting sustainable practices within the school community. Students may engage in tree planting, recycling drives, educational workshops, or eco-friendly projects to demonstrate their commitment to protecting the environment. Through these efforts, St. Peter's instills in its students a sense of responsibility towards the planet and empowers them to become active agents of positive change in their local and global communities.

TITLE OF THE EVENT: COMPETITION TO DO BEST OUT OF WASTE

DESCRIPTION :

1. Encourage creativity and innovation by challenging participants to repurpose discarded materials into useful and aesthetically pleasing creations.
2. Raise awareness about the importance of waste reduction, recycling, and environmental sustainability by showcasing the potential of waste materials to be transformed into valuable resources.
3. Promote the concept of responsible consumption and waste management by demonstrating practical ways to minimize waste generation and maximize resource utilization.

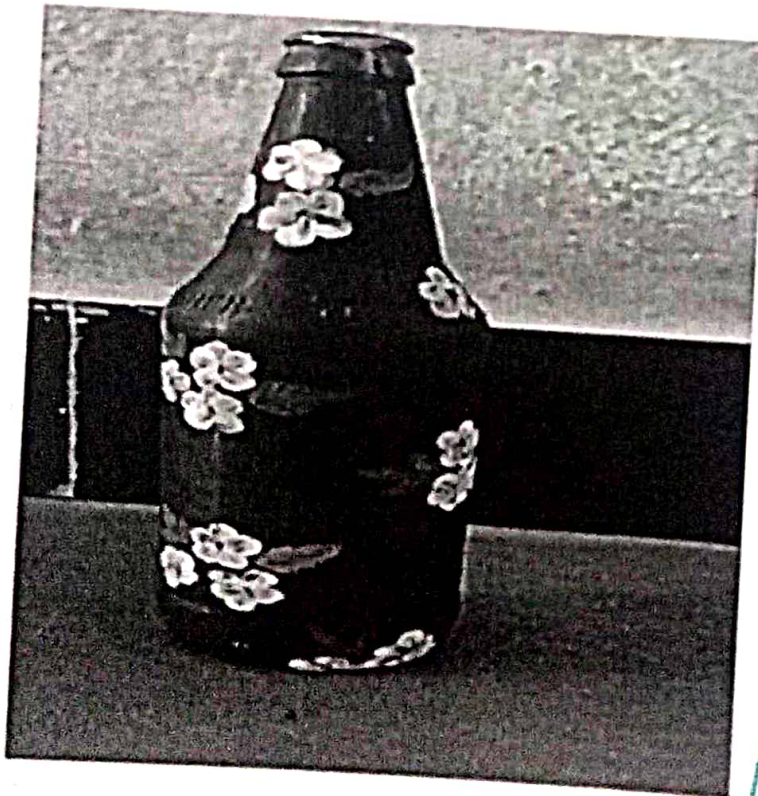

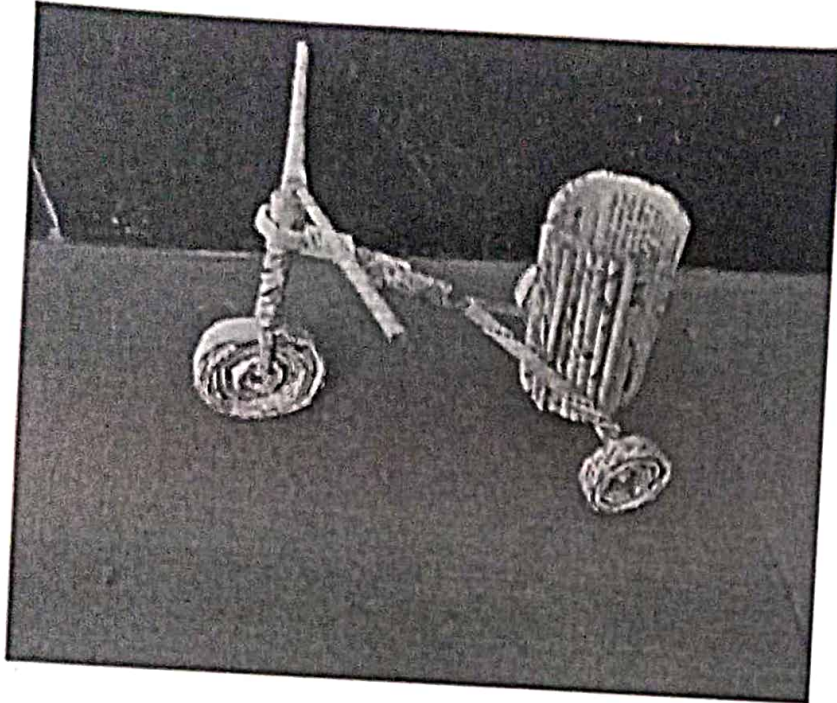

We are excited to announce that St. Peter's will be hosting a "Best Out of Waste" competition, inviting all members of our community to showcase their creativity and innovation in repurposing discarded materials.

This event is not just about creating art; it's about promoting environmental sustainability and responsible consumption. By finding new uses for old items, we can reduce waste, minimize our environmental footprint, and inspire others to do the same.

Together, let us strive to uphold the highest standards of **pharmacovigilance week** and contribute to the safe and effective use of medications for the benefit of patients worldwide. Which is going to be held on **17-09-2022 to 23-09-2022 from 2:00 to 5:00 PM** at **St. Peter's of Institute of Pharmaceutical Sciences**. Pharmacovigilance plays a crucial role in monitoring and assessing the safety of medicines throughout their lifecycle, from pre-market clinical trials to post-market surveillance. By identifying, evaluating, and preventing adverse drug reactions, we contribute to improving patient care and public health outcome.

TITLE OF THE EVENT: NATIONAL PHARMACOVIGILANCE WEEK

DESCRIPTION:

- To raise awareness about the importance of pharmacovigilance in monitoring the safety of medicines, promoting patient safety, and preventing adverse drug reactions through education, collaboration, and advocacy.

We are delighted to announce that St. Peter's will be celebrating National Pharmacovigilance Week, a special occasion dedicated to promoting awareness about the importance of pharmacovigilance in ensuring the safety and efficacy of medicines.

During this week-long celebration, we will be organizing various activities, including informative sessions, workshops, and interactive discussions, to educate our community about the role of pharmacovigilance in healthcare.

WARANGAL-506 001(T.S.)**

TITLE OF THE EVENT: BATHUKAMMA CELEBRATIONS

DESCRIPTIONS:

1. Promote and preserve the cultural heritage of Telangana by organizing vibrant Bathukamma celebrations.
2. Provide a platform for communities to come together, celebrate diversity, and strengthen social cohesion through the shared tradition of Bathukamma.
3. Showcase the rich traditions, customs, and folklore associated with Bathukamma, fostering a sense of pride and belonging among participants.
4. Encourage active participation of all members of society, including women and youth, in the colorful rituals and festivities of Bathukamma.

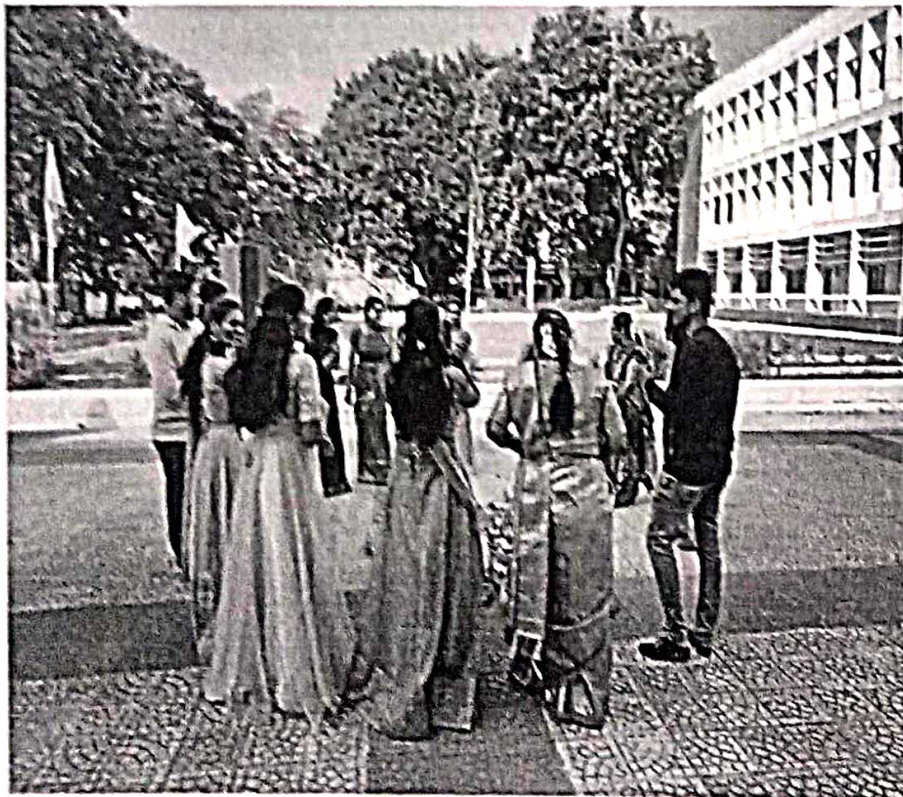

Bathukamma, which translates to "Mother Goddess come alive," is a festival that honors the goddess Gauri. It involves the creation of beautiful floral arrangements, singing traditional songs, and dancing around Bathukammas, symbolizing the worship of nature and its abundance.

At St. Peter's, we believe in embracing and celebrating diversity, and Bathukamma is a wonderful expression of our cultural heritage. We invite all members of our community to participate in the festivities, whether it's by creating Bathukamma floral stacks, joining in the singing and dancing, or simply experiencing the joyous atmosphere.

Principal

St. Peter's Institute of Pharmaceutical Sciences

Vidyanagar, Hanamkonda,

WARANGAL-506 001 (T.S.)

TITLE OF EVENT: NATIONAL POLLUTION CONTROL DAY

DESCRIPTIONS:

National Pollution Control Day is observed to raise awareness about the importance of controlling pollution and its detrimental effects on the environment and human health. Some Descriptions of National Pollution Control Day include:

1. Educating the public: To inform people about the causes and effects of pollution, and ways to mitigate it.
2. Promoting environmental stewardship: Encouraging individuals, communities, and industries to adopt eco-friendly practices.
3. Advocating for policy changes: Pushing for stricter regulations and enforcement to reduce pollution levels.

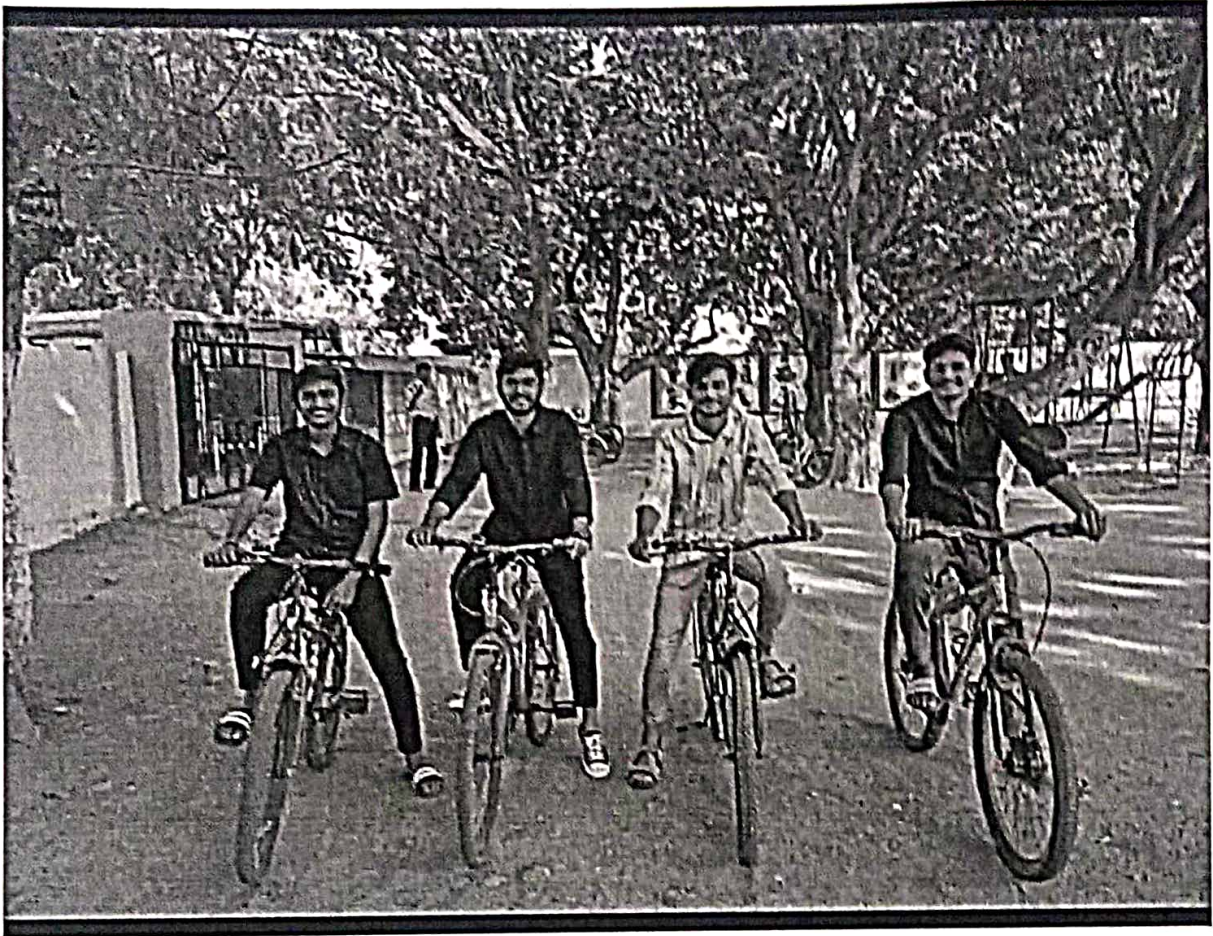

St. Peter's, like many institutions and communities around the world, may celebrate National Pollution Control Day to raise awareness about the importance of environmental conservation and reducing pollution levels. This observance could involve various activities such as educational seminars, workshops on sustainable practices, tree planting drives, or clean-up campaigns. By participating in such initiatives, St. Peter's demonstrates its commitment to environmental stewardship and encourages its members to take action for a cleaner, healthier planet.

TITLE OF THE EVENT: NATIONAL PHARMACY WEEK

DESCRIPTIONS:

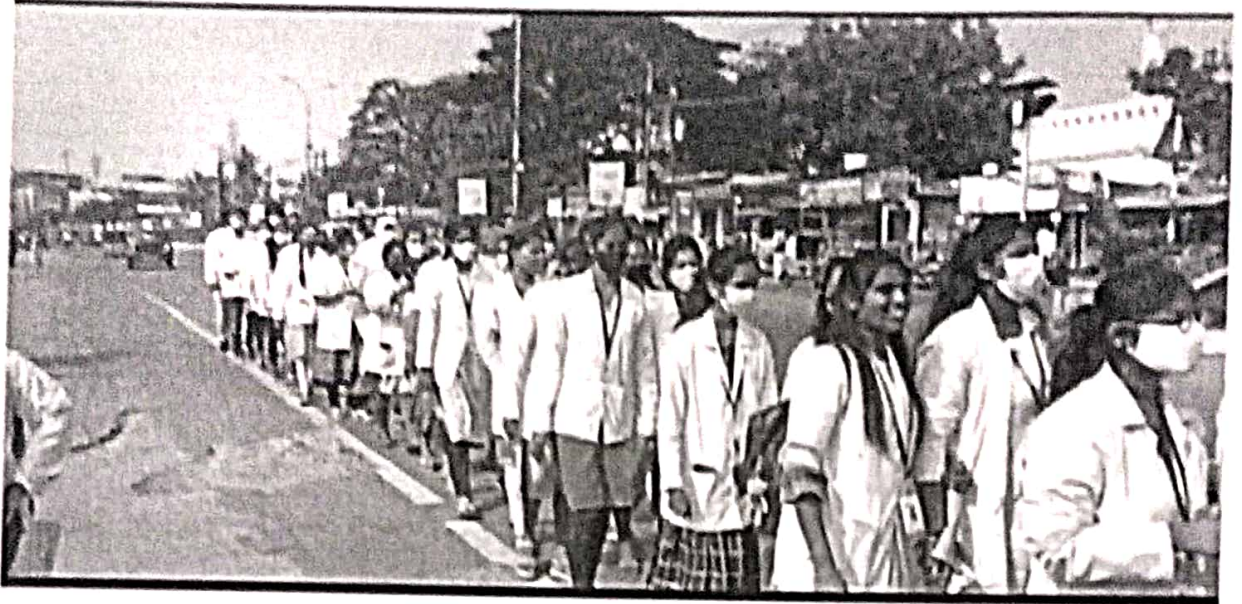

1. Educate the public about the role of pharmacists and pharmacy technicians in healthcare delivery, medication safety, and patient care.
2. Encourage pharmacists and pharmacy technicians to uphold high standards of professionalism, ethics, and integrity in their practice.
3. Showcase innovations in pharmacy practice, such as new technologies, medication management systems, and pharmaceutical research.

As part of our commitment to promoting awareness and appreciation for the pharmacy profession, St. Peter's Institute is excited to announce the celebration of National Pharmacy Week.
