IQAC is going to build processes and procedures for assuring the timely, efficient, and progressive execution of academic, administrative, and financial duties in order to guarantee the maintenance and improvement of quality.

This will be done in order to ensure that quality is maintained and continues to improve. In addition to the relevance of academic and research programmes, the quality of these programmes is also very important. Ensuring that all members of society have equal access to educational programmes that are also within their financial means in order to accommodate a diverse variety of social sectors

In addition, the Internal Quality Assurance Cell is accountable for carrying out internal audits for each and every department during the course of each and every academic year.

The counsel that this cell offers also includes instructions on how to begin professional activities that include a number of different departments. The confirmation of the Institutional Academic Plan for each and every course takes place a significant amount of time before the commencement of the semester in which it will be implemented there.

The institution has implemented a very effective internal communication system that consists of both physical circulars and social media groups so that employees may communicate with one another. An overview of IQAC's initiatives: Agreements of Understanding (MoUs) pertaining to Quality initiatives that are formed in conjunction with other institutions An Institutionalised Cell for the Promotion of Entrepreneurship Both the Instruction and Job Placements provided by the R&D Cell Instructional and educational programmes that are add-ons or certificates that use cellular patent strategies

The institution through its IQAC makes rigorous and continuous efforts to study, analyze and improvise every strategy, activity, process and procedure in all the domains of the institutional activity with a view to achieve, sustain and enhance quality with a aim to achieve excellence. Continuous feedback, Academic Audit, Feedback from alumni, industry, parents, students, experts and the community helps it to establish quality culture. The quality is maintained at every stage be it academics, administration, infrastructure etc.

Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes. Equitable access to and affordability of academic programmes for various sections of society. Optimization and integration of modern methods of teaching and learning.

The credibility of evaluation procedures. Sharing of research findings and networking with other institutions.
