MENTOR- MENTEE INTERACTIONS

Mentors are assigned to groups of 20 students to address their academic challenges. These mentors provide counselling sessions twice a month to help students resolve any issues they encounter during their studies. This process continues until the students completed their academic careers.

Mentors Counselling the boy Students

Female students are specially counselled, addressing various issues such as academics, career guidance, and behavioural patterns. The mentor provides guidance to students on personal, psychological, and emotional challenges, helping them manage stress and negative emotions while fostering a positive mindset.
